

**William T. Robinson, PE**

I am honored to be nominated and eligible to run for the Tri-County Electric Cooperative Board of Trustees, District 2C. Being born and raised in this community, I am committed to establishing transparency, restoring TRUST, and re-building the cooperative. Past experience has enabled me to deeply understand the fiduciary responsibilities of a Trustee and strict adherence to board governance principals. We must work together to gain financial stability, cost efficiencies, and improve reliability within our electric distribution system.

Listed below are some important facts about myself:

- Core values of Honesty, Integrity, Faith, Trust, and Team Building
- Proven Leadership with 24 years of directly related electric utility experience
- Engineering graduate from Clemson University with BS and MS degrees
- MBA graduate from Charleston Southern University
- SC Registered Professional Engineer

Many of you know I have spent my entire professional career working in the electric utility business, construction industry, as well as serving agriculture and the rural communities. Given my experience at Santee Cooper, I have an in-depth understanding and core knowledge of all aspects of the business – from generation, transmission, distribution as well as corporate finance and managing multi-million dollar budgets. I understand wholesale power cost and its rate methodology as well as how demand and energy are calculated. Given this, I have created and established working relationships with all SC utility representatives including folks at The Electric Cooperative of SC (Statewide), Central Electric Cooperative, and The SC Power Team.

Currently, I am employed at The SEFA Group as Executive Director - SEFA Industrial Solutions, an engineering, industrial construction and maintenance division – responsible for financial oversight and accountability as well as market development in creating new business opportunities and strategies.

I am committed to serving YOU - the Member Owners of this Cooperative. I pledge and offer to you my Character, my Professional Experience, my Education, and my Respect for our home community as I seek election to the Board of Trustees. I humbly ask for YOUR SUPPORT and YOUR VOTE on November 17, 2018.
