*Now you can maintain your
Tri-County Electric Cooperative
account online. It's E-Payment.
It's secure. It's fast. And it's free.*

**So save yourself some time, both
of us some postage and the
environment a few trees.**

Paying and viewing your bill is just a click away.

Using the internet just go to

www.tri-countyelectric.net

and simply click on Pay Your Bill. This will allow
you to log in and pay your bill using a credit
card. The system also gives you the ability to
view your account history.

Tri-County also gives you the option to have
your bill emailed. This option allows Tri-County
to send your bill electronically via e-mail and not
through the postal service. To sign up for this
option just go into one of our three offices and
request an Email Sign up Form or call and we
will be happy to mail it to you.

**E-Payment brings
you the latest and
best in electronic
payment
technology, backed by commitment
to customer service of Tri-County
Electric Cooperative.**

You'll enjoy:

Convenience: Paying your bill online is a simple mouse
click away. There is no sign up for the online payment. You
will only need to sign up once if you wish to have your bill
sent via email.

Security: We've partnered with one of the nation's leaders
in electronic-commerce solutions to bring you the safest, most
secure online payment technology available. Only you and
Tri-County Electric will have access to your account
information.

Added Value: One of the many advantages of E-Payment
is the ability to view your payment history over the Internet.
By using your print function, you can print out any information
from your E-Payment screens. *(Please note that once you
sign up to have your bill Emailed, you will not receive monthly
statements by mail.)*
